I'm going to tell you about Dr. Matsumoto.  
I met him at our work experience program  
in October.

He is 48 years old.

He is a doctor, and he works very hard  
every day.

He helps a lot of sick people, and he is  
very cool.

I want to be a person like him.

Thank you.

Hello. I'm (Tomoko).

Today, I'm going to tell you about my city.

I think Shimotsuke city is a wonderful city.

I have three reasons.

First, we have the best healthcare. Shimotsuke is home to Jichiidai University, and we also have a lot of clinics. If you have any kinds of health problem, you can always find good clinics.

Second, it is easy to get trains. We have three stations and we have access to go to Tokyo and Tohoku.

Third, we have a great Michi-no-eki. You can buy local foods such as kampyo, and enjoy gelato.

These are the reasons why I like Shimotsuke city.

You can enjoy and have a wonderful time.

Please come and visit.

Thank you.

Hello. I'm (Satoshi).

My suggestion is "Let's use kampo for Halloween of Jack-O-lantern."

I think original Kampo Jack-O-lantern will be popular.

Look at this. This is my original lantern. How does it look?

As you know, Shimotsuke city is famous for kampo. Every year, we can get a lot of kampo and we can make many kinds of lanterns.

First, we decorate them in different patterns and share our ideas between schools. We can have a Jack-O-lantern competition.

Second, we can sell them at the farmers' market such as Yugao park. If we introduce how to make them, a lot of people come to Shimotsuke and original lanterns will become more popular than Jack-O-lantern made of pumpkins.

What do you think about this suggestion?  
Thank you.
